

Biography in Context Library Guide

Biography in Context delivers outstanding media rich research support with nearly a million biographical entries spanning history and geography.

Use this database to find authoritative biographical information from books, magazines and selected web sites. Information is available for many categories of individuals throughout history including: athletes, business leaders, explorers, musicians, scientists, and many more.

- Go the library home page
<http://libguides.middlesex.mass.edu>
- In the Search the Resources of MCC center panel Find the [database List](#)
- Cursor down to **Biography in Context** in the list of databases
- Double click on the database name

A screen similar to the one below will appear

- **Search by Name, Occupation, Nationality, or Birth and Death Places**
- **Combine** names, or other keywords in an advanced Search

Information provided includes short and complete biographies, magazine articles, and links to web pages. You should add the content type (magazine, web site, etc.) to your print out because it is needed to complete your work cited page.

Additional Resources include:

- Research guide
- Dictionary
- Images

Basic Search:
Subject

Information can be printed or emailed for later use.
