

## Literature Resource Center

Literature Resource Center contains biographical and critical essays on works from all time periods in fiction, nonfiction, poetry, drama, history, journalism, and more.

### How Do I Access Literature Resource Center

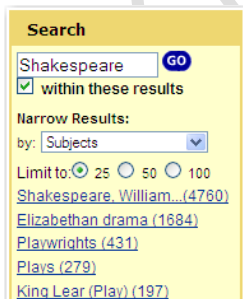

- Go to <http://libguides.middlesex.mass.edu/library>
- Select the Research Guides tab
- Select Literature
- A link for Literature Resource Center is located in the Middle panel.

Enter the author's name or title of the work into the search box. Your results list may include the following:

Click on the desired tab to display the articles. Click on the article title to open the full text.

Use the tool box within the article to print, email, or download the article.

Note: To narrow your search, click on any of the suggestions on the left side of the screen.
